COLLECTIONS INCLUDE

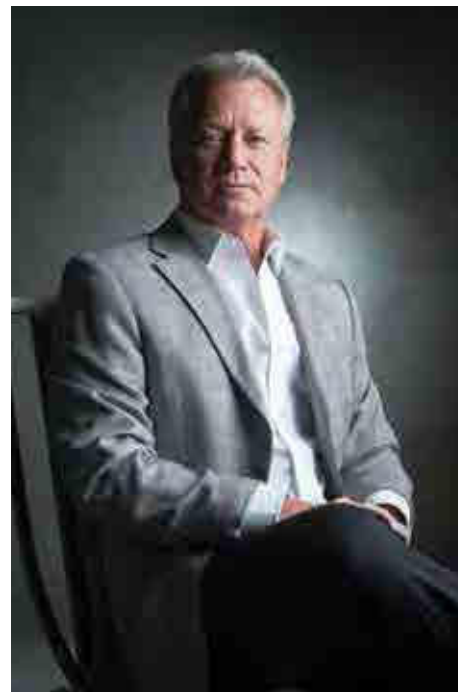

MITYLITE™ **holsag**™

From the first ABS table that rolled off the line to customized product collections that perfectly fit a space, Mity Inc. has been creating the products you use for more than 30 years. Our commercial furniture is built to last longer, set up and take down easier, store smaller and look better, which is why we're the industry standard for the markets we serve. As the Mity Inc. family of products grows, we're excited to be able to offer you an expanded portfolio of furniture lines with the same quality and personal touch you've come to expect from MityLite, Holsag, XpressPort, and now Bertolini.

Mity is here to meet your needs. Whether you're outfitting an international restaurant chain, elegant country club or local pub, we're confident our comprehensive offering of restaurant furniture can efficiently meet your needs. Mity makes it easy for you to order furniture right out of the box, or work with our in-house design resource, M Studios, to help you quickly find and spec the perfect fabric and finishes to complement your facility.

Doing business with Mity feels different. From your first interaction all the way to product delivery—and even years afterward—you can expect unparalleled quality and service. We appreciate your loyalty and confidence in our brand and will continue to work hard to keep your trust. As we grow, you can count on us to deliver an exceptional customer experience and unsurpassed value through our industry-leading products.

John Dudash

DELIVERING EXCEPTIONAL DESIGN, DURABILITY AND CUSTOMIZATION

Mity is the trusted partner for some of the largest restaurant chains, hotels, universities and convention centers in the world. Our professional designers, sales and service teams understand the importance of creating products and relationships that last. Mity's brands are known for durability and have been trusted for more than 30 years. Our restaurant and dining collections are perfect for customers who want to furnish their facility with something that is stylish, functional and affordable.

“Mity provides us with a seamless operation and a very high level of availability... We never have to worry that they don’t have enough stock to handle our new stores or remodels. ”

— Jacqueline Collins
Senior Director of Development,
Moe’s Southwest Grill

THE MITY MISSION

Deliver an exceptional customer experience and unsurpassed value through the design and manufacturing of industry-leading products.

Headquartered in Orem, Utah, Mity Inc. is the parent company to MityLite®, Holsag®, XpressPort®, and Bertolini™.

MITYLITE®

MityLite is a manufacturer of award-winning and professionally designed furniture products for the global commercial marketplace.

holsag®

Holsag manufactures chairs and casegoods focused on the senior living, healthcare, education and hospitality markets.

XpressPort is a leader in storage and transportation products for the public assembly and hospitality markets.

Bertolini is a manufacturer of elegant, comfortable, durable stackable seating.
