MANUFACTURERS OF QUALITY COMMERCIAL SEATING

Holsag has been operating in Europe and North America for over 50 years. Manufacturing products from our 280,000 sq. ft. facility in Lindsay, Ontario, Holsag Canada services the North American market and has shipped more than one million chairs worldwide! In January 2017, Holsag joined MityLite, a global manufacturer of professionally designed, highly durable furniture. MityLite is headquartered in Orem, Utah, USA.

Holsag chairs are made exclusively from 100% European beech hardwood, and are truly built to last! Wood mortise and tenon joints are glued, pinned and screwed for sturdy assembly, and corner blocks are added under the seats for extra strength.

Our quality doesn't stop there! All chairs receive our 'personal touch' as they are hand-sanded, even between back rungs and along stretchers. Stains are also hand-wiped for even color distribution and sealed with a durable, catalyzed lacquer that resists cracking and chipping. We develop all of our stains in-house, and offer a wide range of color options. This allows us to provide custom stains to match your decor for that added 'unique' look. Our in-house upholstery hub offers flexibility and virtually endless options when selecting fabrics and vinyl.

Our prices are structured to stay competitive while providing excellent value. Because we build all of our products to your specific requirements, we have a lead-time of approximately 4 - 6 weeks, plus time in transit. All items can be drop shipped directly to your customer's location.

We take great care in packing all of our items for the journey, so you can enjoy them right out of the box.

Holsag Canada has achieved ^(*) GREENGUARD Certification.

HOLSAG WARRANTY

1. This warranty covers goods supplied by Holsag Canada against defects in workmanship and material, except as specifically excluded.
2. The following are specifically excluded from the warranty:
 - a) Any custom components that are not part of the Holsag standard line.

This would include, but not be limited to, custom designed parts or customer specified components such as fabric, vinyl, foam, etc. which are not part of the standard Holsag line.
 - b) Furniture that has been unduly exposed to the elements, such as water, direct sunlight, etc.
 - c) Damage as the result of accident, fire, flood, civil disorder, strike, Act of God, abuse, misuse, or any cause outside of ordinary usage.
3. Holsag agrees to replace, repair or refund at its discretion, defective parts or workmanship.

Some items are not exactly as shown. For complete details contact Holsag Canada.

NOTE: The samples shown on this page reflect only the color of the finish. Due to the distinctive characteristics and nature of wood, minor variation to color, texture and grain may occur. Therefore, the furniture you receive may not be a perfect match to the samples shown. As the inherent features of the wood vary from forest to forest and from tree to tree, we can not guarantee an exact match to the "NATURAL (222-NAT)" color chip. We do however, pre-sort components for best match and color consistency from available stock.
